

HOW TO USE A ROUNDABOUT

SINGLE LANE

ROUNDABOUT

Watch for the **yellow "roundabout ahead"** sign, then reduce your speed on approach.

Lookout for **pedestrians & bike riders.**

Look to your left & **yield to traffic** already in the roundabout. When you see a gap in the traffic, you can safely enter the circle.

Drive around the roundabout until you get to your exit. **Use your turn signal,** watch for other cars & exit safely.

MULTI-LANE

ROUNDABOUT

Watch for the yellow "roundabout ahead" sign & the **white "lane choice"** sign

Lookout for **pedestrians & bike riders.**

Look to your left & **yield to traffic** already in both lanes. When you see a gap in the traffic, you can safely enter the circle.

Be sure to choose a lane **before entering** the roundabout.
